

8 / 16 / 32 & 64 GB
The fastest key ever !

- Technology USB 3.0: 10 times faster than USB 2.0
- Ideal and optimized for big transfer files
- Ultra thin and ergonomic design
- Sliding Cap

Quickee is the Memup USB 3.0 flash drive. With transfer speed of 5Gb/s, the USB3.0 interface will be up to 10 times faster than USB2.0! Reaching transfer speed of up to 70MB/s*, this Quickee is optimized for big files exchange. Pre-formatted in NTFS, it will enable transfer of more than 4GB files such as high definition videos.

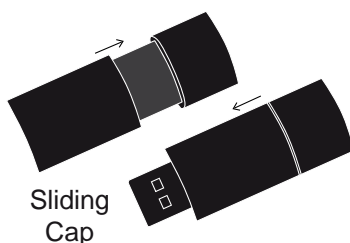

Also coming with patented U-SafeTM technology, the Quickee will protect your data from any electronic shock like hot-unplug, electrical shut down...
